December 2023

**GPO is Faith Academy's enrichment program. The GPO teachers partner with classroom teachers to provide remediation for each students' individual needs. Our Literacy Intervention Specialists teach Alphabetic Phonics. AP is a multisensory reading, writing, spelling and grammar curriculum. Our Math Specialists use multisensory math techniques to teach Stern Structural Arithmetic.**

## **CONCEPT PRESENTATION - CHEF**

The ch=sh sound is the lesson concept presentation that was being taught in the lesson on the next page.

## NELSON FAMILY REVIEW

I can't say how much Mrs. Dodson and her team has meant to our family for the last several years! When she first came to us with the suggestion that JonJon take Alphabetic Phonics, I definitely wasn't sure, but wanted to do anything I could to help our son. Mrs. Dodson has been such a blessing. And watching JonJon grow over the years and seeing his grades go up has been a delight. JonJon did not have much aspirations for a future a couple years ago but now he talks about opening his own business and going to school to get a business degree. Mrs. Dodson has become a very good friend to JonJon! We are very grateful for everything she has done.

## CHEF CHARLEMAGNE'S VISIT

JonJon has been taking Alphabetic Phonics for several years. He has now completed the entire AP program. He had a guest, Chef Charlemagne, aka Mrs. Dodson, come to teach his last lesson. JonJon and Charlemagne enjoyed pistachios, quiche, and champagne (sparkling apple juice) while listening to Chopin. They discussed Charlemagne's trip when she had flown in a chartreuse aero plane to Chamon, France. Charlotte the chauffeure drove Charlemagne to a fuchsia chateau in the Alps. They drove in style in a fancy chaise carriage. While staying at the chateau, they ate charolais steak! Much to his chagrin JonJon donned a moustache for the occasion.
