Gratiam Pro Omnibus

GPO is Faith Academy's enrichment program for students with various learning abilities. The GPO teachers partner with classroom teachers to provide remediation for each students' individual needs. Our Literacy Intervention Specialists teach Alphabetic Phonics. AP is a multisensory reading, writing, spelling and grammar curriculum. Our Math Specialists use multisensory math techniques to teach Stern Structural Arithmetic.

New AP Teacher

We are so very excited to let you all know that we have hired another AP teacher. We will now be able to accommodate more students!! Our new teacher's name is Miss Morgan Anderson. Please give her a warm welcome.

Student Spotlight: Hardie Maddox

Hardie is 9 years old and is in the 4th grade. Hardie has been taking AP classes since he was in the 2nd grade. He says the most challenging part of the strip is the Spelling Deck. It is hard to remember all the spellings for all the sounds. His favorite spelling medium is writing in shaving cream. Hardie enjoys writing stories because he can use his creative and artistic abilities. He hopes to be an author and illustrator some day. Hardie's favorite part of the strip is reading. Reading is much easier now that he has been taking AP lessons and knows the spelling and reading rules. Hardie is eager to do more New Learning so that his reading, writing and spelling continue to improve so he will be able to write and illustrate his own book.

Maddox Family

We love our GPO! All of the teachers have been amazing. not only has Hardie learned the tools to steadily excel and gain confidence in the areas he needs, but we as a family have received so many benefits as well. Reading time has become more enjoyable, he has a better understanding of his school work (which makes homework time a little more bearable for everyone!), and I have loved getting to know these hard-working individuals who care for Hardie and his success. I am very grateful for Mrs. Dodson, Mr. DeFore, and Mrs. Rusk. Go GPO!
